Contract Win of £1.2m at CAF

The Directors of Mountfield Group Plc announce that CAF has won a contract with a value of £1.2m to install 30,000m² of raised access flooring for a commercial office refurbishment project at Canary Wharf, London.

Installation works are due to commence in May and are expected to be substantially completed by the end of June 2020. The project is currently live on site and methods of working and safety procedures have been tailored to meet the requirements introduced to protect site workers against the impact of COVID-19.

Group CEO, Andy Collins said:

"We are delighted to have won this contract during this difficult period. It comes at a time when activity levels in terms of contract tendering and business enquiries are high which we consider is a good indication that there is demand for the services of companies such as CAF as the country returns to work in the coming weeks."
